

# Leave a Light On

Tom Walker

The second someone mentioned you were all alone  
I could feel the trouble coursing through your veins  
Now I know, it's got a hold  
Just a phone call left unanswered, had me sparking up  
These cigarettes won't stop me wondering where you are  
Don't let go, keep a hold

If you look into the distance, there's a house upon the hill  
Guiding like a lighthouse it's a place where you'll be  
Safe to feel our grace 'cause we've all made mistakes  
If you've lost your way...

I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on

Tell me what's been happening, what's been on your mind  
Lately you've been searching for a darker place  
To hide, that's alright  
But if you carry on abusing, you'll be robbed from us  
I refuse to lose another friend to drugs  
Just come home, don't let go

If you look into the distance, there's a house upon the hill  
Guiding like a lighthouse it's a place where you'll be  
Safe to feel our grace 'cause we've all made mistakes  
If you've lost your way...

I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on  
I will leave the light on

If you look into the distance, there's a house upon the hill  
Guiding like a lighthouse, it's a place where you'll be  
Safe to feel our grace and if you've lost your way  
If you've lost your way (I will leave the light on)  
And I know you're down and out now, but I need you to be brave  
Hiding from the truth ain't gonna make this all okay  
I see your pain if you don't feel our grace  
Then you've lost your way  
I will leave the light on  
I will leave the light on  
'Cause I will leave the light on
