

# My Way

Tom Walker

I'm just living for the moment  
I'm flying high on paper planes but they don't hold up  
Make mistakes but I'll be damned if I don't own them  
It's a trip, and I don't wanna get sober  
Don't wanna get sober  
Living fast in a daydream  
They can try but I'll be dead before they change me  
'Cause my guitar's the only one that ever paid me  
It's a trip and I'll be loving every single minute  
Long as I can say I did it

My way, my way  
My way, my way  
Just go and get it, my way  
I'll know I did it, my way  
I'll say I did it  
My way, my way  
My way, my way  
I won't regret it, no way  
I'll know I did it  
My way, my way

(I can say I did it)  
(I can say I did it)  
(Can say I did)  
(As long as I can say I did, say I did)

Ain't saying I never get hopeless  
And things get crazy when it all gets out of focus  
On the days when we're together that's a bonus  
My darling we're just living for the moment  
Living for the moment  
Will you love me till you leave, yeah?  
Yeah, I never wanna stop you going somewhere  
Go 'head and live the way you wanna, I will always love ya  
You know that your heart is in it  
Long as you can say I did it

My way, my way  
My way, my way  
Just go and get it, my way  
I'll know I did it, my way  
I'll say I did it  
My way, my way  
My way, my way  
I won't regret it, no way  
I'll know I did it  
My way, my way

(I can say I did it)  
(I can say I did it)  
(Can say I did)  
(As long as I can say I did, say I did)

We only get one life so make this life beautiful  
One chance to make it worthwhile  
Just be alive, the story could be glorious

Beginning to the finish, long as I can say I did it

My way, my way  
My way, my way  
Just go and get it, my way  
I'll know I did it, my way  
I'll say I did it  
My way, my way  
My way, my way  
I won't regret it, no way  
I'll know I did it  
My way, my way

(I can say I did it)  
(I can say I did it)  
(Can say I did) My way  
(As long as I can say I did, say I did, say I did)

(My way, my way)  
(My way, my way)

...

My way, my way  
My way, my way  
Just go and get it  
I'll know I did it, my way  
I'll say I did it  
My way, my way  
My way, my way  
I won't regret it, no way  
I'll know I did it  
My way, my way
