

# Let Me Know

Tomáš Bezděda

Sometimes I want to cry  
My wings broke the one  
Who taught them fly  
I should just run and run  
Never go back  
Why should I cry

I think I've seen you once  
is this real live or only to lie  
Pictures in my head now  
Fade the colour  
Why should I cry

Give me a reason  
Not to give up  
Not for the night  
No need to cry

REF :  
OOOOO Let Me Know  
What you want  
Is his real what you feel  
A fantasy in which you live

OOOOO Let Me Know  
What you want  
Is his real what you feel  
A fantasy in which you live

Do you rembers days  
We where so wild  
You sweet like a child  
Why do you show me the places  
.....

Give me a reason  
Not to give up  
Not for the night  
No need to cry
