

Beyond

Tommee Profitt

I can take you far from here
Where runaways don't have to fear
We're in the clear

Let's go beyond
Beyond, beyond
What if we belong
In the beyond, beyond, beyond

There is room for all of you
Stretch your wings
And all you bring
Come as you are

Let's go beyond
Beyond, beyond
What if we belong
In the beyond, beyond, beyond

In the beyond, beyond, beyond
