

# Champion

Tomme Profitt

When the lights go out and the night is falling  
I'll be standing tall with the whole world watching

When the fight goes down and every eye is on me  
I'll be standing strong with or without warning

It's been a long time coming I've been waiting for you  
It's been a long time coming I've been waiting for you

Watch me fight like a warrior  
Watch me rise up like a champion  
I'm coming for you  
I'm coming for you

Knock me down, I'll be back for more  
Nothing can stop me, I'm the champion  
I've been waiting for you  
I've been waiting for you

When the shadows come and cover the horizon  
I will be the one to slay all the giants

It's been a long time coming I've been waiting for you  
It's been a long time coming...

Watch me fight like a warrior  
Watch me rise up like a champion  
I'm coming for you  
I'm coming for you

Knock me down, I'll be back for more  
Nothing can stop me, I'm the champion  
I've been waiting for you  
I've been waiting for you

There's a burning inside that's brighter than this fire  
I'm more than a survivor, more than a survivor  
More than a survivor

Watch me fight like a warrior  
Watch me rise up like a champion  
I'm coming for you (I'm the champion)  
I'm coming for you (I'm the champion)

Knock me down, I'll be back for more  
Nothing can stop me, I'm the champion  
I've been waiting for you  
I've been waiting for you

I've been waiting for more  
I've been waiting for more (I've been waiting for you)  
I'm coming for you  
I'm the champion  
I'm the champion  
I'm the champion
