

Daylight

Tommee Profitt

Oh I love it and I hate it
Oh I love it and I hate it at the same time
Oh I love it and I hate it
Oh I love it and I hate it at the same time

(From the daylight)
(From the daylight, runnin' from the daylight)

There's darkness in the distance
From the way that I've been livin'
But I know I can't resist it

There's darkness in the distance
I'm beggin' for forgiveness
But I know I might resist it

From the daylight, running from the daylight

From the daylight, runnin' from the daylight
Oh I love it and I hate it at the same time
From the daylight, runnin' from the daylight
Oh I love it and I hate it at the same time
From the daylight, runnin' from the daylight
Oh I love it and I hate it at the same time
From the daylight, runnin' from the daylight
Oh I love it and I hate it at the same time
