

# Enemy

**Tommee Profitt**

I've been out here for a minute  
Hands clenched as I walked through the fog  
Blood in the water, smoke in the air  
Filling my lungs  
You were my friend  
Veil torn now I'm seeing your lies  
Full of demise  
Blood moon paintin' red in the sky  
Onto the surface  
Your dark heart leading you to the grave  
Beautiful mask, pure evil behind the charade  
I hear the mourning, I hear the cries  
Out of the darkness into the light  
If you want me gone  
You pull the trigger yourself  
Look me in the eyes

I see who you are  
You are my enemy  
My enemy  
You are my enemy  
I see who you are  
You are my enemy  
My enemy  
You are my enemy

You want me dead  
You want me gone  
Covered in evil  
You turn on the saw  
Hungry for power  
Hungry for pain  
You kill a man if he gets in your way  
I walked through the valley of shadows  
I'm not alone, no I won't fear  
The hangman's at the gallows  
I'm not afraid of the death  
I'll never be like you  
I'll never be like you  
I'm risin' up and I'm ready to fight you  
Ready to fight you  
I'm all in  
I've seen you before you all are the same  
You're just another going up in the flames  
And if I'm dying in the fight  
It'll be while I'm bringing you down to the grave

I see who you are  
You are my enemy  
My enemy  
You are my enemy  
I see who you are  
You are my enemy  
My enemy  
You are my enemy  
I see who you are  
You are my enemy

My enemy  
You are my enemy  
I see who you are  
You are my enemy  
My enemy  
You are my enemy

This ends now  
This ends now  
This ends now  
Ready to fight you  
Ready to fight you  
This ends now  
I'm ready to fight you  
Ready to fight you  
This ends now  
(This ends now)
