

Feel That Fire

Tomme Profitt

Givin' them everything, everything we got
Gonna use our blood, sweat and tears till the last jaw drops
Are you sure you wanna play
Don't you know we run this game
We're not afraid to bring the pain
Don't you know we run this game

We'll make 'em feel that fire
We'll make 'em feel that fire
We'll make 'em feel that fire
We'll make 'em feel that fire
We're gonna burn it down

Swinging like a champion straight to the top
If you can't stand the heat then you know you better stop
You don't wanna mess around
Don't you know we own this town
Gonna end up in the ground
Don't you know we own this town

We'll make 'em feel that fire
We'll make 'em feel that fire
We'll make 'em feel that fire
We'll make 'em feel that fire
We're gonna burn it down
Ooo-oo-ooh, oo-ooh
Ooo-oo-ooh, oo-ooh
Ooo-oo-ooh, oo-ooh (On fire, on fire)
Ooo-oo-ooh, oo-ooh (On fire)
We'll make 'em feel that fire
We'll make 'em feel that fire (Feel that fire)
We'll make 'em feel that fire (Feel that fire)
We'll make 'em feel that fire
We'll make 'em feel that fire
We're gonna burn it down
We'll make 'em feel that fire
We're gonna burn it down
We'll make 'em feel that fire
We're gonna burn it down
We'll make 'em feel that fire
We're gonna burn it down
Ooo-oo-ooh, oo-ooh
Ooo-oo-ooh, oo-ooh
Ooo-oo-ooh, oo-ooh
Ooo-oo-ooh, oo-ooh
