

Forbidden Fruit

Tommee Profitt

Every inch the fire gets closer
It's in my blood it's never over
Like a twisted tangled rope, can't let go
I feel my flesh, it's getting weaker
Every breath takes me deeper
It's not hard to lose control, no

I try to run but there's no hope

Temptation
I can't escape you, escape you
Desire
You're my forbidden fruit, forbidden fruit

I've had a taste, there's nothing sweeter
On my lips, I've kissed the reaper
Is it worth losing my soul? No
We dance inside a burning room
There's no way out, there's no way through
I've reached the end of every road

It's so much stronger than you know

Temptation
I can't escape you, escape you
Desire
You're my forbidden fruit, forbidden fruit

Oh
You're my downfall
Downfall

Temptation
I can't escape you, escape you
Desire
You're my forbidden fruit, forbidden fruit
