Frontlines

Tommee Profitt

We hear the call, we know it's time to go
Human, machines, automatic souls
We run, run in when everybody runs out
We stand, stand up, won't back down

We're on the frontlines
We're on the frontlines

Under the pressure, in the line of fire
Seconds run out, down to the wire
We run, run in when everybody runs out
We stand, stand up, won't back down

We're on the frontlines
Fire in our eyes, watching bullets fly
We're on the frontlines
Ready for the fight, we know that it's our time
'Cause we're on the frontlines

Oh, oh, oh oh-oh-oh-oh oh-oh
Oh, oh, oh oh-oh-oh-oh oh-oh
Oh, oh, oh oh-oh-oh-oh oh-oh
Oh, oh, oh oh-oh-oh-oh oh-oh

In the middle of the war
Remember what you're fighting for
In the middle of the war
Remember what you're fighting for

We'll be the army
We'll be the army
We'll be the army
We'll be the army

We're on the frontlines
Oh, oh, oh oh-oh-oh-oh oh-oh
Oh, oh, oh oh-oh-oh-oh oh-oh
We're on the frontlines
Oh, oh, oh oh-oh-oh-oh oh-oh
Oh, oh, oh oh-oh-oh-oh oh-oh
