

Get The W

Tomme Profitt

Blood on a canvas
The sweat in my eyes
I fight to the end
And like a phoenix, I rise

Ain't just a fight, we have started a war
Fight 'til the death I ain't playing no more

I've been broken I've been tested
But I rise I'm never rested
Every shadow every doubt
Turn them into fire now
Can't put this fire out
I came to get the W

Ooh, ooh

Heart of a lion
Nothing to lose
Got the weight of the world
Then the power to choose

I step in the rain
Not afraid of the pain
Wanna be a fighter
Got ice in my veins
I came to get the W (ooh)

I came to get the W
I came to get the W (ooh)
I came to get the W (ooh)
I came to get the W

I came to get the W (ooh)
I came to get the W (ooh)
I came to get the W (ooh)
I came to get the W
