

## Gloria Regali

**Tommee Profitt**

Peace be with you, soul divine  
Wake again in paradise  
Crowned in glory, fear no more  
Winter's misery or the coming war

Gloria regali  
Peace and understanding  
Forever may you reign  
Gloria regali  
Peace and understanding  
Forever may you reign  
Forever may you reign

Gloria regali  
Peace and understanding  
Forever may you reign  
Forever may you reign
