

Here I Am

Tommee Profitt

Out of the shade
Out of the shadows
Out of the haze

I'm comin' out of

Out of the ashes I rise
You can run but you can't hide
Breath on your skin, I've arrived

Here I am
Here I am

I am untamed
You cannot fathom
Get in my way
Lethal assassin

I bring the pain
You can't imagine
Nothing but flames
This is what happens

Out of the ashes I rise
You can run but you can't hide
Breath on your skin, I've arrived

Here I am
Here I am
A force to be reckoned with
A blade you been messin' with
Oh-oh-oh-oh-ooooh

Here I am
A game you won't ever win
It's your grave, hear it beckoning'
Oh-oh-oh-oh-ooooh
Here I am

Oh-oh-ooooh
Here I am
Oh-oooohhh
Here I am, here I am
Ooh-oooh, oooooohhh
Here I am
