

Heroes Rise

Tomme Profitt

Heroes live forever
Heroes live forever
We never die
Heroes live forever, forever
Heroes live forever
We never die

We fight 'til the end
Giving every last breath
War-torn like a soldier
With the weight on our chest
We rush in to save
We bend and we break
But the battle's not over
'Til the dawn of the day

We won't sit back and watch
This fire never stops
When the rain's falling down, down

Heroes live forever, forever, forever
Heroes live forever, we never die
Heroes live forever, forever, forever
Heroes live forever
We never really die
'Cause heroes rise

Through violence and smoke
There's always still hope
'Cause like a beacon we're shining
When the world's on the ropes

We won't sit back and watch
This fire never stops
When the sky's falling down, down

Heroes live forever, forever, forever
Heroes live forever, we never die
Heroes live forever, forever, forever
Heroes live forever
We never really die
'Cause heroes rise

Oh-ohh-ohhh
Heroes rise (Oh-ohh-ohhh)
Heroes (Oh-ohh-ohhh)
Heroes rise (Oh-ohh-ohhh)
Heroes rise (Oh-ohh-ohhh)
Heroes (Oh-ohh-ohhh)
