

High Voltage

Tommee Profitt

Na, na, na, na-na-na-na, na, na
Na, na, na, na-na-na-na, na
Na, na, na, na-na-na-na, na, na
Na-na-na-na-na-na, na-na-na-na-na-na

Pushing like fire through the rain
No matter what comes, we burn the same
Blood in the dirt, unashamed
We leave it all on the field when we play the game

Taking it to the top, taking it to the top
Know we never stop, no we never stop
Pushing like fire through the rain
Through the rain

We're fighters, fist-risers
Only ones coming out, survivors
Rushing in with adrenaline pulsing
High, high, high voltage
We're fighters, bull riders
Only ones who were born survivors
Rushing in with adrenaline pulsing
High, high, high voltage

Like dynamite, we're about to blow
Hammer pulled back, gonna let it go
Losing our minds, got no control
Tearing it up like we're animals

Making 'em all watch, making 'em all watch
Know we never stop, no we never stop
Like dynamite, we're about to blow
About to blow

We're fighters, fist-risers
Only ones coming out, survivors
Rushing in with adrenaline pulsing
High, high, high voltage
We're fighters, bull riders
Only ones who were born survivors
Rushing in with adrenaline pulsing
High, high, high voltage

Taking it to the top, taking it to the top
Know we never stop, no we never stop
Taking it to the top, taking it to the top
We never stop, we never stop

Taking it to the top, taking it to the top
Know we never stop, no we never stop
Taking it to the top, taking it to the top
We never stop, we never stop

Na, na, na, na-na-na-na, na, na
