

# I'll Be Your Hero

Tommee Profitt

I'll be your hero  
I'll be your hero

Just when you can't keep on running  
Just when you can't fight no more  
Don't be fooled, help is coming  
I see you, I'll be there soon

I'll be your hero  
Your hero  
When you're lost and alone, in the rage of the storm  
I'll be the one who will carry you home  
I'll be your hero  
Your hero  
I'll be your hero

Don't be fooled, help is coming  
I see you, I'll be there soon

I'll be your hero  
Your hero  
When you're lost and alone, in the rage of the storm  
I'll be the one who will carry you home  
I'll be your hero  
Your hero  
I'll be your hero
