

## Last Lover

Tommee Profitt

Got me feeling brand new  
Got me feeling like I lost my mind  
When you walk into the room  
I notice

All the other girls fade  
You can see the red all over my face  
When I'm feeling this way  
I'm hopeless

Something about you different  
And I just can't let it go  
I'm laying out my heart tonight  
I don't care who listen's  
Or if anybody knows  
How I'm really feeling inside

Let me be your last lover  
I could be your knight in shining armor  
Maybe we could last forever  
Baby if you let me be

Let me be, let me be, let me be your last  
Let me be, let me be, let me be your last  
Let me be, let me be your last lover

I ain't usually this way  
Rehearsing all the lines I want to say  
Every time I see you, girl  
I'm speechless

Something about you different  
And I just can't let it go  
I'm laying out my heart tonight  
I don't care who listen's  
Or if anybody knows  
How I'm really feeling inside

Let me be your last lover  
I could be your knight in shining armor  
Maybe we could last forever  
Baby if you let me be

Let me be, let me be, let me be your last  
Let me be, let me be, let me be your last  
Let me be, let me be your last lover

Nobody after me  
Cause I'm only after you, girl  
Let me be the one  
Let me be your last lover

Your knight in shining armor  
Loving you forever  
Whoa oh oh oh oh oh oh

Let me be your last lover

Your knight in shining armor  
Loving you forever  
Oh oh oh oh

Let me be, let me be, let me be  
Let me be your last love  
Let me be, let me be, let me be  
Let me be your last love

Let me be, let me be, let me be  
Oh  
Let me be, babe  
Your last love
