

# Monsters

**Tommee Profitt**

Run away till I hear no sound  
Run away cause I have no choice  
Run away from the haunting noise  
Run away from the bloodhound boys

Are we the hunters?  
Are we the hunted?  
Are we the monsters?  
Show me the fear under your skin  
Life is a game are you gunna play now?  
Shoulda run away are you gunna stay now?  
Who can you trust?  
Are you one of us?

Tell me where you got your gun  
Tell me whose side are you on  
Line em up and tell them run  
Light em up now one by one

Are we the hunters?  
Are we the hunted?  
Are we the monsters?  
Show me the fear under your skin  
Life is a game are you gunna play now?  
Shoulda run away are you gunna stay now?  
Who can you trust?  
Are you one of us?

Are we the hunters?  
Who can you trust?  
Are we the hunters?  
Who can you trust?
