

# Pull That Trigger

**Tommee Profitt**

High low, high low  
Everything white blue, white blue  
Think of some kinda psycho, psycho  
Watch me as I go, I go

Are you gunna?  
Are you gunna?  
Are you gunna?  
Pull that trigger  
Pull that trigger  
Pull that trigger

Come and take it  
Watch me come and take it  
I'm an inch away from death  
Do you think I'm fakin'?  
Don't make me say it  
Do you think I'm playin'?  
Only one of us survives and you know I'll make it

Are you gunna?  
Are you gunna?  
Are you gunna?  
Pull that trigger  
Pull that trigger  
Pull that trigger  
Pull that trigger  
Pull that trigger  
Pull that trigger
