

Rise Above

Tomme Profitt

Looking my fears in the face
I'm done playing it safe
I'm not broken like you've told me before
Look at what you've made

I-I-I, I-I-I, I, I will rise above
I-I-I, I-I-I, I, I will rise above
I've been played, I've been tired
But I'm stronger than before
I-I-I, I-I-I, I, I will rise above

Holding on, I clench my fist
Running fast, I was built for this
Like titanium and wildfire, I won't break
I will stand up over and over again

I-I-I, I-I-I, I, I will rise above
I-I-I, I-I-I, I, I will rise above
I've been played, I've been tired
But I'm stronger than before
I-I-I, I-I-I, I, I will rise above

You can't tame me, I was born to live
You can't break me, I was made for this
You can't tame me, I was born to live
You can't break me, I was made for this

I-I-I, I-I-I, I, I will rise above
I-I-I, I-I-I, I, I will rise above
I've been played, I've been tired
But I'm stronger than before
I-I-I, I-I-I, I, I will rise above

Oh, I will rise above
Oh, I will rise above
Oh, I will rise, I will rise, I will rise
Oh, I will rise, I will rise, I will rise above
Oh-oh-ohhh-ohh
I will rise above
I, I will rise above
