

Secrets For Life

Tommee Profitt

You might not know this but I could lose my mind but don't cry
For you, I'd fight to survive
We all have demons inside
(Look in my eyes)
I am a villain got skeletons under my bed
(Make up your mind)
If I'm a hero then why they all wanting me dead
A world without chaos is blind
Can you keep a secret for life?

(Comin up, give it up, back to the world imma run em up)

Suicide if you really wanna push me farther
Say goodbye hope you left some for your sons and daughters
The city is mine like I'm Jay, Dwayne, like I'm Tha Carter
Up on your feet when I come through
You never know what I'm gonna do
I'll never listen to what you say
Was this all part of my plan, what do you think?
I'll save your life, everybody's always scared of new things
But when the time is right...

You might not know this
But I could lose my mind but don't cry
For you, I'd fight to survive
We all have demons inside
(Look in my eyes)
I am a villain got skeletons under my bed
(Make up your mind)
If I'm a hero then why they all wanting me dead
A world without chaos is blind
Can you keep a secret for life?

They want my head underwater
My enemies they surround us
Just hold my hand, arms around you
Close your eyes, I don't want you to see this
I'll hold their heads underwater
Until they're dead cause I wanna
And cause I said I'd protect you
Tell me what else can I do?

You might not know this but I could lose my mind but don't cry
For you, I'd fight to survive
We all have demons inside
(Look in my eyes)
I am a villain got skeletons under my bed
(Make up your mind)
If I'm a hero then why they all wanting me dead
A world without chaos is blind
Can you keep a secret for life?
