

# Shoot To Kill

Tomme Profitt

Blood on our hands  
There's no telling what you'll find in the shadows where we hid  
e  
Once you've seen it  
There's no going back in time  
It's a darkness you can't fight

There's no stopping now  
There's no backing out

We shoot to kill  
Aim for the heart  
Live for the thrill  
We shoot to kill

We've got secrets  
Buried deep inside these walls  
But you'll never hear them talk

There's no stopping now  
There's no backing out

We shoot to kill  
Aim for the heart  
Live for the thrill  
We shoot to kill  
We shoot to kill  
Aim for the heart  
Live for the thrill  
We shoot to kill

We shoot to kill  
Aim for the heart  
Live for the thrill  
We shoot to kill  
We shoot to kill  
Aim for the heart  
Live for the thrill  
We shoot to kill
