

Unbreakable

Tommee Profitt

When all your hope is lost
You're barely hanging to all you got
It so hard to keep climbing
I know you're feeling like a pile of wreckage
'Cause all you, has been stolen, broken
I can hear you singing

I'm rising up
Oh, I'm rising up
Oh, I'm rising up
Never gonna stop me, I'm unbreakable
I'm unbreakable

Remember when the sun shined upon you
Your golden soul's strong
This deal, unbreakable
The years have weighed you down, your faith is fading
Your golden soul of steel is finally, ending
Oh, I can hear you singing

I'm rising up
Oh, I'm rising up
Oh, I'm rising up
You're never gonna stop me, I'm unbreakable
I'm rising up
Oh, I'm rising up
Oh, I'm rising up
Never gonna stop me, I'm unbreakable

Never gonna stop me
Never gonna stop me
Never gonna stop me
Never gonna stop
Never gonna stop me
Oh, never gonna stop me
You will never gonna stop me
Never gonna stop

Ohh, oh-ohh, I'm unbreakable
Ohh, oh-ohh, I'm unbreakable
Ohh, oh-ohh, I'm unbreakable
Ohh, oh-ohh, I'm unbreakable
