Tomme Profit

Game time  
Set it off  
Lace em up  
Let em know  
Tell them doubters in the stands I'm a rise  
We undefeated  
We hold the light  
Legends never die  
I will never quit  
Never back down  
Yeah the game gon flip  
We bring it straight your body swinging that right hook  
Tyson with left  
They been biting since I could write hooks  
But I'm way up  
Legends never die when they days up

We undefeated  
Undefeated, undefeated  
We undefeated  
Legends never die bruh we way up  
Never back down when the days up  
We undefeated  
Undefeated, undefeated  
We undefeated  
We undefeated

For years man they tried to hold us down  
Rising back up from the ground  
They ain't ready tho  
In the battle I'ma hold my ground  
My life, my home, my crown  
Never let it go  
We rising  
We rising  
Never back down  
We don't ever quit  
We rising  
We rising  
Never back down  
Gunning at your head  
Rising up I'm a sharp shooter  
Got a dream I'm Martin Luther  
King James, he bring the rain  
My whole crew gon' get it moving  
We the movement  
We influence  
You heard the rumors  
Believe the Truest  
You don't know what we been doing  
We been moving  
We been moving  
Taking over they ain't even ready tho'  
Got that fire starter and my aim so steady tho'  
Legends never die yeah yeah  
You could let 'em know  
We gon' bring the canon to a game full of catapults

Let em go

Let 'em go

Let 'em go

We let 'em go

Bout to bring the canon to a game full of catapults

Let 'em go

We undefeated

Undefeated

Legends never die yeah they told me that

We undefeated

Undefeated

Never back down I ain't holding back

We undefeated

Undefeated

Legends never die, oh

We undefeated

Undefeated

I'm about to rise up, yeah

Never back down

Legends never die

Blood sweat and tears on the line

We undefeated

We In the game

We been winning in the fight

Way up we will rise

We undefeated

We undefeated

Legends never die bruh we way up

We undefeated

We undefeated

We undefeated
