

It's Ok

Tommy Genesis

Please don't say we never grew
I only spent my time with you
Please don't say I never knew
I only knew that I'm with you
I'm with you, I'm with you

Well, it's okay
I heard that you might live another day
They say that you will fuck another way
I hope that you don't love another
I dreamt that you are coming home to stay
I'm saving all my money in the safe
I'm thinking that I might just run away
They love me, but won't love me better
They love me, but won't love me better

Please don't say you know me like that
Please don't say you hurt me like that
You always tryna work me like that
You always think you worthy
Yeah I know you like that, yeah I know you like that
Why you always gotta act? Why you always gotta act?
This is not your show, this is not your show
I'm not your ho, I'm not your ho

Well, it's okay
You know that I will always be okay
You know that I'ma do it my own way
Can't tell me that I don't have shit to say
Can't tell me that I've always been this way
Can't tell me that I've always been this way
Can't tell me better
Can't tell me better

Please don't say we never grew
I only spent my time with you
Please don't say I never knew
I only knew that I'm with you
I'm with you, I'm with you

Well, it's okay
I heard that you might live another day
They say that you will fuck another way
I hope that you don't love another
I dreamt that you are coming home to stay
I'm saving all my money in the safe
I'm thinking that I might just run away
They love me, but won't love me better
They love me, but won't love me better

You know I get it on my own
I've been feeling things that feel unknown
You love is shutting down on me
There is no you but there's still me

Well, it's okay
You know that I will always be okay

You know that I'ma do it my own way
Can't tell me that I don't have shit to say
Can't tell me that I've always been this way
Can't tell me that I've always been this way
Can't tell me better
Can't tell me better
