

All my life they making me crazy  
All my life they calling me baby  
All my life they wanna come save me  
All my life  
Men  
Men  
Men  
Fuck men

We coming for the throats like ooo  
Now you wanna gloat like ooo  
Thought you was a goat boy shoo  
We don't need a man like You  
Insecure insecure insecure  
Ego trip on the bitch ego drip like a clit  
Selfish, secretive, possessive, condescending  
Even when I cum I'm pretending  
I'm not crazy you was cheating  
You not famous you a fetus  
Projecting on me like you Jesus  
Money make you wanna keep us

All my life they making me crazy  
All my life they calling me baby  
All my life they wanna come save me  
All my life  
Men  
Men  
Men  
Fuck men

Oh you wanna leave him but you can't get past it  
Oh you wanna tell him why he should just  
Shove it  
But you keep believing that he's gonna change from it  
Almost had your freedom but he just won't have it  
Nothing's gonna change boo  
He's not gonna change for you  
Nothing's gonna change boo  
He's not gonna change for you

If you want to leave him  
There's something you should know  
Men, they're all the same  
So just let go

All my life they making me crazy  
All my life they calling me baby  
All my life they wanna come save me  
All my life  
Men  
Men  
Men  
Fuck men
