## Tommy Genesis

(G-g-g-good work Charlie)  
(Bueno)

She want a picture with Tommy  
You know she come from the country  
She drive a Ford, Tommy  
She can't afford Tommy  
You pay the bill like you want me  
You fly me out like you found me  
Can't find another girl, tell me  
Can't find another girl, Tommy

She wanna know who's Tommy  
Who's this girl Tommy?  
She wanna know who's Tommy  
All these bitches get off me  
Nobody fuck like Tommy  
Nobody talk like Tommy  
Nobody walk like Tommy  
All these bitches, get off me  
You know I wear the Hilfiger  
You know I stare when you with her  
You know she hate me, you know that  
You know she'd date me, you know that  
I got a gun, Tommy  
My dawgs, they run for me  
I don't need you, nah  
I don't need you, nah  
This is my song, Tommy  
Who made the beat? Charlie  
What do you want? Oh, me  
What do you need? Tommy  
We got a movement like baby  
We in this church, save me  
I do not fuck with you, maybe  
I don't know who you are lately

(Bueno)  
(Tommy, Tommy...)

We got a movement like baby  
We in this church, save me  
I do not fuck with you, maybe  
I don't know who you are lately  
We got a moment like baby  
We in this church, I save me  
I do not fuck with you, maybe  
I don't know who you are lately

She changed her name, Tommy  
She got new game, mommy  
She look the same  
She look the same  
She changed her name, Tommy  
She got new game  
She look the same  
She look the same

Why, do you think I'm weak?  
Why, why do you turn the cheek?  
Why, why do you follow me?  
But, boy, can you swallow me?

She want a picture with Tommy  
You know she come from the country  
She drive a Ford, Tommy  
She can't afford Tommy  
You pay the bill like you want me  
You fly me out like you found me  
Can't find another girl, Tommy  
Can't find another girl, Tommy

(Tommy, Tommy...)
