Wait Till I Can Dream

Tommy heavenly6

Tell me somebody
How do I escape now from here to go there?
I'm lookin' for heaven
"Darlin' say somethin'!"

Even if the stars
turn away from me and you
I don't care in my heart...
Todokanai

Wait till I can dream
Dokuiri no bin ni mitasareteku
My stars shootin' me
Nee mata namida wo otoshisou na no...

Negai no hoshi mo Pink no kumo mo
Tebanashite ii umarekawareba
Nagete miseru wa mou mitasarenai
Kirameki dake no yume wa minai

Darlin' smile for me
Eien no you ni
So take you with me
Kodoku nara

Wait till I can dream
Kon'ya hoshi wo motte soko e yuku wa
Give your heart to me
Dokomademo nigete kodomo mitai ni
Wait till I can dream
Tonight, I'll hold onto the stars & go there
Give your heart to me
I'll run off like a child to the end of the world

You're sinkin' down into clouds
there dreamin' in my mind
"Hello...my shade"

Darlin' cry for me
Eien wo misete
So take you with me
"Baby you are mine"

Wait till I can dream
Dokuiri no bin ni mitasareteku
My stars shootin' me
Wakariaeru no wa shitte iru no

Wait till I can dream
Tameiki wo tsurete soko e yuku wa
Give your heart to me
Furikaeranaide modoranai noni

Take you...With me
"Love you"
