

You Should Live In The Sunny Light

Tommy heavenly6

I'm floating in the "darkening" sky
Yeah I Want to go back there
I see my sky turned to the candy pink
Bye, Darling... My heart is dying

Kidzuite iru wa mune ga harisaketeta kara
Soredemo machi kogarete yume ni miru no

It's a Happy ending doko ni mo ikenai
Utau imi wo kimi ga kureta kara
I'm singing for you watashi no tame ni soko ni ite
You should live in the sunny light

Kioku wo tabane hashiridasu aoi basha
Your rain is melting my frozen heart
Bye, Darling I love you !

It's not a Bad ending hirogatta kizu wo
Nuiawasu hoshikuzu no ito de
I'm singing for you ashita mo ikiru
Sono tame ni kimi ni deaeta

Kizutsuita kokoro wo mite naite kureta
Sono ai ni suku wareteru

It's a Happy ending hirogatta kizu wo
Nuiawasu ashita wo yumemite
I'm singing for you kimi ga nemuru made
Soba ni iru deaete yokatta
