

# **She**

**Tommy James**

She loves her man  
And lets him know every way she can  
Soul on soul, hand in hand  
Together

She knows his mind  
Every way, all the time  
Soul on soul, hand in hand  
Together (together)

Mmm, oh yeah

She stands along  
All the way, right or wrong  
'Cause one and one, twice as strong, yeah  
Together

She  
She  
She's a woman  
She  
She  
She
