Dey don't know what we hold inside
All the pain dat we feel
Dem seems deaf anytime we ah cry
Oh God dem nuh care bout we
Take a read and look in ma eyes
Tell me what you see
Ah Nuff time wen di yute dem smile
Nuttin nuh funny

Destructions of men
Everybody face dem sin
Everyday mi mother moan and pray every night
Di boss every ball come to him
Everyday is not di same
If whole ah di time will remain
Me nah laugh wid di ting
Me wah see me g put di chrome pon di rim

You stand as a soldier

Careful ah who yuh call fren
Everyday so dey hope fi we dead
So me true nun at all dem false
So me straight dem ah wish fi me bend

We livin' in a world so crazy
Yuh gonna get sting by bees
