Girl when you dance to my music  
You make me feel, you make me feel  
Like no one in this world can dance like the way you do

Wine yo body, move yo body, shake yo body  
Gyal you fi wine yo body, move yo body, shake yo body  
Gyal you a foe, your a devil in disguise, in disguise

You have tick lock, you have toc lock  
Trust mi baby mi know you have the lizard lop, lop  
Back shot crash yo pussy like mi drag top  
Gyal open up yo bow like a nap stack
