

# Make Me High

Tommy Lee Sparta

You're the smile of an angel  
Wid a burning Halo  
Forever you're faithful  
Your love is so graceful  
I'mma love you forever  
You're my ride or die  
In this world I'm so caught up  
You got me like...

If loving you is a crime I'm a convict  
And there's no other way me wudda want it  
Your love is a drug I'm addicted  
Inna bedroom God know yuh gifted  
Baby your body is a paradise  
Got me hypnotized when yuh look in my eyes  
Around the bed I got the candle lights  
Yuh pussy wet and tight, I'm tryna fuck you toniiight  
Mi love it when yuh siddung pon di ting and just wine  
Move up yuh waist and yuh bruk dat spine  
God know say we body just so on [?]  
[?] girl on Earth you're so divine

She got everything I require  
She got everything I desire  
Baby yuh love is taking me higher  
Together we build a fucking empire  
Me and you against the world  
Got the fire bring the fuel  
Me no care about the rules  
Just do whatever you feel girl  
You got that fire burning inside your soul  
Just light it up get outta control  
Swear to God I'm so in love now  
Ready to mek deez wedding vows  
I'll be the one you call when you need  
And when times get hard I promise not to leave

You're the smile of an angel  
Wid a burning Halo  
Forever you're faithful  
Your love is so graceful  
I'mma love you forever  
You're my ride or die  
In this world I'm so caught up  
You got me like...
