

## Protocol, Pt. 2

Tommy Lee Sparta

Push up your jelly if you ready fi dead (Ready fi dead)  
Like a balloon yah so, me buss your big head (Buss your big head)  
Ah boy (Hahaha)  
Protocol (Mhmm) in action  
Yes, man  
Spain Town, go straight to Flanker  
Them fi know  
Them fi know the game get conquer  
Ratty Spartan we know fi fly bat

Push up your jelly if you ready fi dead  
Like a balloon yah so, me buss your big head  
We ready fi run wanted fi them  
And the pussy them know too  
Say a no joke thing, we no grow so  
Kill the witness before them reach a courthouse  
When the night squad push out, you alone dirt  
Kartel will tell you how we dweet a Portmore

Diemon, them no bad like we  
Hit them scheme  
Murder-murder scene when the don walk in  
Them can't forget we  
We a fully bad breed (Mhmm)  
Ratty Spartan, me no left my machine  
Every place clean sweep (Gweh)  
A weh you mean? (Weh you mean?)  
A so me feel when people start bleed  
Flabbergasting head a roll 'pon the concrete  
Say a word me no like, 'cause me show you how me dweet  
(How we dweet)

The rifle tall so me cut it short  
Them yah magazine yah no regular  
We no take weh boy chain, gun a get the saw  
Love the badness anywhere we gone  
Still a chop the line 'cause a money tall  
One phone call and your mother bawl  
She get the sad news when she there abroad  
All a fi see yuh body 'pon video call (Hahaha)

Push up your jelly if you ready fi dead (Ready fi dead)  
Like a balloon yah so, me buss your big head (Buss your big head)  
We ready fi run wanted fi them  
And the fucker them know too  
Say a no joke thing, we no grow so  
Kill the witness before them reach a courthouse  
When the night squad push out, you alone dirt  
Kartel will tell you how we dweet a Portmore

Level-level-level-level-level-level-level (Level that)  
Spain Town badness, frighten the devil (Hear me now)  
Now them no rebel  
Them no kill like them a Seven Day  
Step 'pon them middle day  
Murder everything we dare  
You better pray you is a ball head that day (That day)

And me no wait, mad dog and have a bad day (No sah)  
Pop a pill, transform, fully insane (Insane)  
A from you call badness, you call me middle name (Call me middle name)

The rifle tall so me cut it short  
Them yah magazine yah no regular  
We no take weh boy chain, gun a get the saw  
Love the badness anywhere we gone  
Still a chop the line 'cause a money tall  
One phone call and your mother bawl  
She get the sad news when she there abroad (Gunman)  
All a fi see yuh body 'pon video call (Hahaha)

Push up your jelly if you ready fi dead (Ready fi dead)  
Like a balloon yah so, me buss your big head (Buss your big head)  
We ready fi run wanted fi them  
And the fucker them know too  
Say a no joke thing, we no grow so (Grow so)  
Kill the witness before them reach a courthouse  
When the night squad push out, you alone dirt (You alone dirt)  
Kartel will tell you how we dweet a Portmore

Shub up yuh ghost if you ready fi dead (Ready fi dead)  
Tell Guzu say fi park the Benz (Park the Benz)  
A barefoots 'pon the yard  
Man run in a your yard, buss them head  
'Cause we ready again  
Darker than the rest  
The craziest  
A who fi test  
A we a the best (Haha)  
Hey, gunman  
Dark  
We a stab out your neck  
You know now
