

Dog Eat Dog

Tommy Lefroy

I've got what it takes
And I feel nothing at all
Unfit but unfazed
I want, I want it all

It's somatic, just a force of habit
All these Herculean reasons
I won't sleep until I'm
Fed and full and the market's a bull
And the men that I'm after
Call me the master

Couldn't reason with the underdog
Once you've been it then you'll always be one
Looking around the arena
Thinking I'm just like you
But a girl's gotta do what a girl's a gotta do

Unfair but well played
Checkmate at Camden station
Her heart on my plate
I'm gonna save it

I don't get combative
I just hit the axis
Ride the rise and fall of every
Scheme of industry

Oh who's gonna care
When the market's not there
And the regents retire
Go call the empire

Couldn't reason with the underdog
Once you've been it then you'll always be one
Looking around the arena
Thinking I'm just like you
But a girl's gotta do what a girl's a gotta do

And a girl's gotta eat
A girl's gotta eat too

Couldn't reason with the underdog
Once you've been it then you'll always be one
Looking around the arena
Thinking I'm just like you
But a girl's gotta do what a girl's a gotta do
