

# Shoot

Tommy Lefroy

I read a story, about somebody  
Who drove his family off a bridge  
I have a feeling like, that's what's happening  
But, I don't know which of us it is

There have been times you've kind of scared me  
But I am the one who will not quit  
But if I'm to blame then, I've got questions like  
What if the gas pedal sticks?

What if it hurts?  
Mmmmm

Last night I dreamt of, the bar in Chinatown  
Sticky counters and vinyl booths  
Playing Springsteen '88, his almost country phase  
And I was dancing for you

I spill your tall can, spill my guts that's  
How it felt to tell the truth  
I put my hand up across the dartboard and  
Then I told you to shoot

What if it hurts?  
Mmmmm  
What if it hurts?  
Mmmmm  
It's gonna  
(Aaah aaah aah)  
You said it's gonna  
(Aaah aaah aah)

What can go wrong, will go wrong  
'Cause bet you that it would  
So you stacked up the odds  
So it

Hurt, hurt  
It's gonna  
Hurt, mmmmm  
Its gonna  
Mmmmm
