

My Baby's Doggin' Me

Tommy McClennan

Umm-mmm
My baby's doggin' me
Umm-hmm-hm
My baby's doggin' me
I'm gettin' sick an tired-a
The way my baby's doggin' me

Now, she dog me ev'ry mo'nin
She dog me late at night
She keep on a-doggin' me
Say, we gon' make ev'rything alright

Look-a-here, mama
Gettin' tired of way, the way you do
I'm gettin' tired, baby
The way you keep on doggin' me

Now, look-a-here, mama
Tell me where you stay last night?
She said, 'It ain't none yo' business
You know you don't treat me right'

Cry, ooh
Baby, you know I don't like the way you do
Yeah, mama
You know you're really doggin' me

Now, I done tol' you once, pretty mama
Ain't gon' tell ya no mo'
You can get all my lovin'
If you just let him go

I said, look-a-here, babe
I'm gettin' tired of way you doggin' me
'Cause I love you, pretty mama
Better'n any woman I ever seen

'Play it man, play it'

(guitar)

Yeah!

Yas, yas!

Mmm, my baby's doggin' me
Mmm-hm, my baby's doggin' me
I love that little ol' woman
Better'n any woman I ever seen

Oh, be-bop, dee-da
Dee-dee, da-da.
