

# Missing You

Tommy Page

Every time I think of you I always catch my breath  
And I'm still standing here and you're miles away  
And I'm wondering why you left

And there's a storm that's raging  
Through my frozen heart tonight  
I hear your name in certain circles  
And it always makes me smile  
I spend my time thinking about you  
And it's almost driving me wild  
And there's a heart that's breaking  
Down this long distance line tonight

I ain't missing you at all (missing you)  
Since you've been gone away  
I ain't missing you (missing you)  
No matter what I might say

There's a message in the wire  
And I'm sending you this signal tonight  
You don't know how desperate I've become  
And it looks like I'm losing this fight  
In your world I have no meaning  
Though I'm trying hard to understand  
And it's my heart that's breaking  
Down this long distance line tonight

I ain't missing you at all (missing you, missing you)  
Since you've been gone away  
I ain't missing you (missing you, missing you)  
No matter what my friends say

And there's a message that I'm sending out  
Like a telegram to your soul  
And if I can't bridge this distance,  
Stop this heart break overload

I ain't missing you at all (missing you, missing you)  
Since you've been gone away  
I ain't missing you (missing you, missing you)  
No matter what my friends say  
I ain't missing you at all (missing you, missing you)  
Since you've been gone away

And there's a storm that's raging  
Through my frozen heart tonight

I ain't missing you at all (missing you, missing you)  
Since you've been gone away  
Ain't missing you (missing you, missing you)  
No matter what my friends say  
I ain't missing you at all (missing you, missing you)  
Oh no  
Missing you, missing you  
I've been lying to myself  
Missing you, missing you
