

Why

Tommy Page

Why, oh why yeah
Look in my eyes and tell me
Why oh why, oh
Why does the world get in the way
Every time that I get the chance to be close to you
Oh why does this happen every time

Oh why, yeah
Why can't I find the words to say the way yeah
The way that a poet write a poem to his love
Filled with color expressing his inner side
Oh why are my feelings trapped inside

There're so many questions in my mind
Nothing's making sense to me anymore
Why are the answers hard to find
Why (why)
Oh why (oh why)

Why does it thunder before rain (rain)
(Oh why)
Why is there love before the pain in my heart that I feel
When I watch you walk away (walk away)
Hey oh why does this happen every time

There're so many questions in my mind
Nothing's making sense to me anymore
Why are the answers hard to find

Why (why)
Oh why (oh why) yeah
Look in my eyes and tell me why (why)
Oh why (oh why)
Why does the world get in the way
Every time that I get the chance to be close to you
(Close to you)
Oh why does this happen every time

So many questions, where are the answers
So many questions in my mind
So many questions, where are the answers
So many questions in my mind
Why is there love before there is pain
(So many questions, where are the answers
So many questions in my mind)
