

DEVIL IS A LIE

Tommy Richman

Ah, ah, ah, ah
Oh no, oh no, oh no, oh no
Ah, ah, ah, ah
Oh no, oh no, oh no

I tell her "Pipe down, baby", hell naw
You know my roundabouts, baby, hell naw
It's where I came from, baby, hell naw
It's 'cause I come from a different part
I can take you places you ain't never seen before
Ah, ah
You're moving so loud
That is not my goal, hell naw

But you got no confidence, lately
Really wanna run around and chase me
I'm not no Travis, baby, not no Chase B
I work too hard, can you fuckin' pay me?

I did so much, you did it with me
And I'm not alone
It's since 2019, you're doin' this with me
I'mma set it in stone
You come from a sunken place again
You know the struggle, baby, can we be friends?
From the bottom to the top again
We go hard again, hard again

But you got no confidence, lately
Really wanna run around and chase me
I'm not no Travis, baby, not no Chase B
I work too hard, can you fuckin' pay me?

But you got no confidence, lately
Really wanna run around and chase me
I'm not no Travis, baby, not no Chase B
I work too hard, can you fuckin' pay me?

Right now, right now (The devil is a lie)
Right now, right now (I wanna be alive)
Right now, right now (Can we survive?)
Right now, right now (Can we survive?)
Right now, right now (The devil is a lie)
Right now, right now (I wanna be alive)
Right now, right now (Can we survive?)
Right now, right now (Can we survive?)
