

# Melba

Tommy Richman

Oh I, oh, I  
Oh I, oh I

Used to play pretend  
Thought it wouldn't end  
Walked up to the doctor and said I couldn't fend  
Bitch I recommend  
Staying off the meds  
Wish I could've realized right before the trend

I don't even need to have a lot  
Don't need that shit, oh, oh  
Let's go out and drop a couple tabs  
Don't need that bitch

Ooh, let's go out and be alive (Yeah)  
Ooh, even when we're gonna die (Yeah)  
Ooh, I don't even wanna try (Ooh)  
Ooh, poison lime (Yeah)  
Ooh, let's go out and be alive  
Ooh, even when we're gonna die (Yeah)  
Ooh, I don't even wanna try (Ooh)  
Ooh, poison lime

I'm tryna get back to the place that I used to know  
Feelin' like a distant memory when I wanted someone else though

In the back, bitch I'm in my bag, ah yeah  
Run inside, see what I decide, ah yeah  
Never hold me seein' what you sold me, ah yeah  
Back here with rebel, never settle, ah yeah

Duh-duh-duh-duh-duh-duh-duh-duh-duh-duh  
Duh-duh-duh-duh-duh-duh-duh  
Duh-duh-duh-duh-duh-duh-duh-duh-duh  
Duh-duh-duh-duh-duh-duh-duh-duh-duh

In the back, bitch I'm in my bag, ah yeah  
Run inside, see what I decide, ah yeah  
Never hold me seein' what you sold me, ah yeah  
Back here with rebel, never settle, ah yeah

Ah yeah, ah yeah, ah yeah, ah yeah (Don't call)  
Ah yeah, ah yeah, ah yeah, ah yeah
