

SELFISH

Tommy Richman

'Cause I got the shooters
Don't gotta lose her
It's all mine
Just all mine, yeah
I'm feeling so selfish lately
'Cause I can't help it, baby
It's all mine
'Cause I'm so lonely

This is where I draw the line
I'm in my bed for many times
Oh, get up out of this place
The world is a damn rat race, and I'm just running behind
'Cause I'm just running behind
Now get up out of this place
The world is a damn rat race, and I'm just running behind
'Cause I'm just running behind

So come on, just take it from me now
You can take it anywhere
You can take it anywhere
Please don't take advice from me now
So tell me all the things you know
Evaporate, evaporate
I'm so lonely
Evaporate
I'm so lonely
Evaporate
I'm so lonely
Evaporate
I'm so lonely

'Cause I need a friend
'Cause I need some friends
I know you got a friend

Are you even listening to anything that I was saying?
Saying to you
That I'm saying to you, that I'm saying to you
That I'm saying to you, ooh

You bring me around
Bring me around for a time
'Round for a time to love
To love, to love, to love

Not holding back anymore, not holding back
Bring me around
Not holding back anymore, not holding back
'Round
Please don't waste no time
No time
Not holding back anymore, not holding back
Bring me around
Not holding back anymore, not holding back
'Round

I got tunes for your head
Uh, baby
Lemme bring it just one more time

'Cause I got the shooters
Don't gotta lose her
It's all mine
Just all mine, yeah
I'm feeling so selfish lately
'Cause I can't help it, baby
It's all mine
'Cause I'm so lonely

Come on, let's eradicate this mess
'Cause I'm so lonely
You know that I'm better than the rest
'Cause I'm so lonely
It's all mine
'Cause I'm so lonely
