

# VANITY

Tommy Richman

I don't know what you've done  
I don't know what you've been through  
Oh, I don't know what you've done  
But I don't know what you've been through, baby  
Come on, tell me, face it  
I been on cell phones lately  
Feelin' so hazy  
I said you can't change me  
Or anything that happens in my life  
Didn't know it would get this bad, I'ma do it in stride  
Here for myself

I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself

Get on straight, I don't get no money  
Been on the road, I've been on tour  
This shit's not funny  
Seein' just everything that I've been through, but you wanna go back home  
I'm heart attack prone  
Come on, just look what we've done, oh-oh  
We've got a lot to do still  
I'm sayin' it's thirty till you break me down  
You're talkin' about dirty millions breakin' me down  
Just for myself one time again  
Time again  
Time again  
Time again  
Time again

I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for mys-

Please just go to sleep  
I don't wanna tell you  
Baby, I don't wanna hear you  
Baby, I don't wanna know  
Don't wanna know, these things ain't always set in stone  
My shit's been stolen again  
Every little way you walk out  
Of my life  
You got no vanity  
You didn't have a plan for me  
Maybe I don't wanna know you still

Know you still  
But you're makin' my head hurt  
My head hurt

I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself  
I'ma do it just for myself
