

# Moon Talk

Tommy Roe

Moontalk  
That's the headlines  
In the papers  
Men set deadlines  
Citizens read each word  
Wondering who'll be first  
Moontalk, luna grazie

Spacemen  
They'll soon land there  
On that love light  
As it hangs there  
People will be amazed  
Leaders will celebrate  
Spacemen  
Modern heroes

I just hope with humans there  
It won't affect the young  
Who for many centuries  
Have fell in love beneath that moon above

Moontalk  
Moontalk  
Moontalk  
Moontalk

I just hope with humans there  
It won't affect the young  
Who for many centuries  
Have fell in love beneath that moon above
