

Am I Supposed To Lie

Tommy Tutone

Hey, yeah

Well, hey this is going to far
Johnny's wonderin' just where you are
You don't wanna see 'em, that's alright
I heard all about your big fight
Now go ahead, you can go and have your fun
Can't you see, hey yeah, I can be the one
No, no, no

That's right

Don't go sayin' those things to me
You know you don't mean it, uh-uh
It's not right, it just can't be
I can't come between you

Go ahead, you can go and have your fun
But can't you see, hey yeah, I can be the one
Be the one

Am I supposed to lie for you?
Break down and cry for you?
That would drive me crazy
Crazy for you
Now please don't make me lie for you
I don't wanna cry for you
Babe, I'm going crazy
Crazy for you

I don't wanna lie
Please don't make me cry
I'm going crazy
Please, please, please, please, please don't make me lie
I don't wanna cry for you
Babe, I'm going crazy
Crazy for you

'Cause I'd be lying
But I couldn't keep from crying, yeah
Crying
Trying to keep my hands off of you
So go ahead, you can go and have your fun
But you can't see, hey yeah
I can be the one, yeah
Go ahead, go on home
You can go and have your fun
Can't you see, I can be the one
