(It won't cost you a cent)
Cause I'm a cheap date

Well, hey June, it's me again
I ain't seen you around
Baby now where you been?

Six stories was a long way to fall

Hey June, he's gone now
Six months in the grave
Let that memory go
Let it go
We could turn in a false alarm
Listen to the sirens go
(Listen to the sirens go)
Listen to the sirens go
(Listen to the sirens go)
We could turn in a false alarm
(Listen to the sirens go)
Cause I'm a cheap date, I'm, I'm a cheap date
