

Girl In The Back Seat

Tommy Tutone

There's a girl in the back seat
Goin' down slowly
Lookin' for the promised land
Do the roolly polly
Sally's on the see-saw
Johnny's actin' holy
There's a girl in the back seat
Goin' down slowly

Monday mornin' back in school
All week long actin' cool
But though they may be talkin' this
And talkin' talkin' talkin' that
You know there's just one thing on their minds

There's a girl in the back seat
Goin' down slowly
Lookin' for the promised land
Do the roolly polly
Sally's on the see-saw
Johnny's actin' holy
There's a girl in the back seat
Goin' down slowly

Johnny's pumpin' gasoline
Sally makes the counter sheen
But every Friday night at nine
Lord, it's back seat time

There's a girl in the back seat
(There's a girl in the back seat)
Goin' down slowly
(Goin' goin' down)
Lookin' for the promised land
(Lookin' lookin' for the promised land)
Do the roolly polly
(Hey yeah)
Sally's on the see-saw
(Sally's waitin' on the see-saw)
Johnny's actin' holy
(Hey yeah)
There's a girl in the back seat
(There's a girl, there's a girl goin' down slowly)
Goin' down slowly

Goin' down slowly
Goin' down slowly
Goin' down slowly
Slowly
Slowly
Slowly
