

Great And Marvelous

Tommy Walker

Chorus

Great and marvelous
Are all your works, O Lord
King of the ages
We give you praises
Who will not fear you
Or glorify your name
We bring you all our praise

All of the nations
Will worship before thee
For you have revealed your
Righteous deeds to us

You are the only
One who is Holy
Who will not fear you
And who will not praise
Your holy name

Who will not fear you and who will not praise
Who will not glorify your awesome name
Who will not celebrate all of your ways
Almighty God
