

Your Love

Tommy Walker

Where can I go
Where can I flee
To run from your presence
If I go up to the heavens
Or travel to the depths
You'll be waiting there for me

If I rise on the wings of the dawn
Or I settle on the far side of the sea
Even there, your hand I know
It will guide me
Your right hand will hold me fast

Your love
Is higher than the heavens up above
Farther than the stars that shining far
Deeper than the oceans that so deep
So limitless for me
Is Your love

If I say that the darkness
It will hide me in eyes
See nothing but the night
Even the darkness can not hide me from your eyes
You are here with me
Even when I can't see
