

## No More

Tompi

Hey baby, can't you see  
This is what you did to me  
I'm so far from joy  
I don't want to be your toy

My heart keeps telling me  
I should be with you no more  
I want to get out from this misery  
Don't know what to do

Everyday I spent my time with you  
So depressed, having all regrets  
The more I see your face  
Just can't take it no more  
I love to stay away  
From your over sense of myself

Driving on the highway  
Seeking means from time to time  
Driving on the highway  
Seeking means from time to time

Some might say bizarre is what you are  
But I believe time can change it all  
You're just a simple girl  
With a special kind of life  
Unsure of everything  
Going nowhere with your mind

Driving on the highway  
Seeking means from time to time  
Driving on the highway  
Seeking means from time to time

Hey baby, can't you see  
This is what you did to me  
I'm so far from joy  
I don't want to be your toy
